

PORTA AIM

Ultra-portable tripod system designed to deliver a stable platform when shooting in a prone position, or off an object like a table, without the need for a fitted bipod.

Portable

One handed height adjustment by lifting ring

Height 19-32cm

The original **PORTA AIM** has an anti-vibration padded seat, with a non-slip top surface and a Velcro top strap, supported by an aluminium frame.

PORTA AIM U is over 40% lighter with a U-Yoke which can hold a forestock up to 60mm wide, with rubber fins for a secure grip.

MODEL	PORTA AIM	PORTA AIM U
Head Model	Pillow	U-Yoke
Thread Size	1/4"	
Leg Material	Aluminum	
Weight	800g	465g
Extended Height	320mm	285mm
Minimum Height	220mm	190mm
Folded Height	310mm	330mm
Pan Movement	360°	
Tripod Colour	Black	
Feet Type	Rubber	

TIP

Replace your Porta Aim head with a camera tripod head and you have a great table tripod. If you add a quick release plate to your Porta Aim head, then you can still use it for shooting.
