

VEO ACTIVE

Trekking Backpacks

VEO ACTIVE backpacks are designed for trekking in the toughest conditions. Dual-laminated 840D nylon ripstop materials protects your bag from the elements, as well as the wear and tear brought on by the world around you. The removable camera insert can hold a large camera kit (or camping gear), or be removed to leave your camera safe at home if you want to use it as an everyday backpack. And the padded harness system ensures maximum comfort over longer distances.

Key Features:

- 1 Waterproof material
- 2 Removable camera insert
- 3 USB port to charge on the go
- 4 Comfortable straps with pockets
- 5 Carries a full sized tripod
