

VEO BIB F

The VEO BIB F Series is designed to partner with the backpack or roller case of your choice, allowing you to carry your camera gear safely in an everyday bag.

1 Bag in Bag

The VEO BIB F Series is designed to fit into a bag of your choice to allow you to carry your camera gear. With a choice of front access or top access in every model, these are ideal partners for the backpack of your choice. Alternatively, they can be carried separately using the comfortable handle or shoulder strap.

2 Smart Dividers

In addition, there are multiple storage pockets for all the accessories you need, including a tablet up to 11.
