

VEO BIB T

BAG IN BAG SERIES

Carry your camera in any bag

The Vanguard BIB T Series is designed to give you the choice on how to carry your precious camera gear. It can be used as a shoulder bag in its own right with high quality material and all the storage you'd expect from a camera bag, or slipped into an everyday bag of your choice to keep your gear safe and ready to use on the go. It's perfect for a longer trip where you want to keep your gear safe until you get to your destination, but just need a smaller bag as you explore. At home, you can rest assured that your gear will be safely stored until you need it next.
